P4C CELEBRATION DAY

On Wednesday 5th June we held our second P4C celebration day. All activities were based around the theme of 'Fairy Tales' and the children came dressed as fairy tale characters. We started the day with a display of our amazing work so far this year and shared it with parents. Our P4C ambassadors explained how P4C works and they answered questions. We carried out a range of activities throughout the day and then shared our

learning in a special assembly. The P4C trainer was very impressed with the way that P4C is developing in the school, and the positive impact it is having on our teaching and learning through-

out the curriculum. Well done to everybody involved in making this an amazing day.

On Wednesday 5th June 2019, Miss Blakey took our Y5 pupils to the David Nieper Academy to take part in Y5 Enterprise Day with pupils from other local primary schools. The children had to design, make and then present transition planners to Y5 pupils from other schools.
